

De nævnte ringstørrelser er fundet på diverse ringlister. Ringsalgets gamle liste, opdateret med oplysninger fra udenlandske foreningers ringlister og **er kun vejledende**. Det vil sige, at vi ikke tager noget ansvar for om du får bestilt de rigtige størrelser. Hvis du vil hjælpe til med, at listen kan blive bedre, kan du sende oplysninger eller eventuelle rettelser på eksisterende eller manglende fuglearter.
